

The Chi-lin Purse: A Collection of Ancient Chinese Stories (Sunburst Book)

A Storytelling World magazine award winner. In turns funny, poignant, and wise, these nine lively stories are peopled with an array of unusual characters, including a young woman raised as a boy who is then faced with the complicated business of marriage; a carp-fish spirit who changes herself into a young woman for love's sake; a Miracle Doctor who can cure all illnesses except one; and a shopkeeper who learns the hard way the true meaning of justice.
