

## South Africa: A State of Apartheid (Arbitrary Borders)

International in scope and analytical in approach, this series examines political demarcations that have occurred around the world. The policy of apartheid strengthened white supremacy under the regimes of Verwoerd (1958-1966), Vorster (1966-1978) and Botha (1978- 1989). The last apartheid laws were repealed in 1991. Age 15+.
