

The David Kopay Story: An Extraordinary Self-Revelation

Twenty-three years after publishing his story, David Kopay remains the only NFL player who has publicly acknowledged his homosexuality. From psychotherapy to hypnosis to heartbreaking family confrontations to finally surprising acceptance from former teammates and coaches, this is a story of denial leading to acceptance, and finally to pride. As inspiring today as it was upon publication, Advocate Books is proud to make The David Kopay Story available to a new generation of readers. David Kopay has been involved in a variety of business ventures since his decision to leave professional football. He currently lives and works in Los Angeles.
