

The Devils Storybooks: Twenty Delightfully Wicked Stories

Every now and then, the Devil likes to pop up into the world for an adventure. Hes a trickster and a mischief-maker, and just as full of vanity and other human failings. But hes also a gifted storyteller. The Devils antics are presented in these two collections of stories, The Devils Storybook and The Devils Other Storybook, together in one volume. They make for delightfully wicked reading and are accompanied by charming illustrations by Natalie Babbitt.
