

Teaching Strategies The First 40 Days

The Best Guide for New Teachers and Trainers Anywhere This practical guide is what you need to be successful the first time you walk into a classroom of adults. It gives you step-by-step directions on how to make the beginning of your classroom experience the best it can possibly be. This book isn't another textbook with theories about ideal situations. This guide gives you proven strategies that have worked in classrooms all over the world. With an easy to read style and accompanied with clear and powerful graphics, this book will have you excited about walking in the door and beginning the process of connecting with your students. In this book you will learn:

- The importance of teacher attitude
- What to do the moment you enter the classroom for the first time
- The most effective ways to open a class
- How to give instructions that students love to follow
- How to setup learning groups
- The best ways to move throughout the classroom
- Where to position yourself in the classroom
- How to configure your new classroom
- Tips and strategies for effective lesson plans
- How to create a delivery plan
- How to deal with all types of difficult learners
- How to work with groups
- The best ways to conduct single and multi themed assessments

And Much More..... This book is designed to answer all of your questions about how to actually go about the business of setting up a classroom and teaching your students. Author Megan Cremer has over 25 years experience working in adult education all over the world. Here she gives you examples of what has worked and gives you the tools you need to start your classroom experience the right way. If you are ready to learn the nuts and bolts of structuring teaching and training for adults this book is for you. Once you follow the tips and strategies laid out inside, you will feel confident about your abilities and your students will be ready to learn what you

have to teach. The sooner you get this book, the sooner you can be on your way to a successful classroom experience.
