

The Kids Guide to Money: Earning It, Saving It, Spending It, Growing It, Sharing It (Scholastic Reference)

This activity book identifies ten steps to improve the counting of children aged six to seven years old. It aims to help parents to improve childrens achievements at school, which is important for Key Stage 1 SATs. It builds on childrens school learning and provides home-school links. The book also has a central pull-out and merit stickers to help make learning fun. The ten steps include: recognizing numbers; counting a set; knowing number names; counting with teens numbers; counting with large numbers; odd and even; counting with numbers up to 100; rounding up and down; finding more and fewer; and numbers below zero.
