

The King In Love (CH) (Charnwood Large Print Library Series)

****SUBTITLE Edward VII's Mistresses****
Spanning three decades and packed with incident, scandal and romance. Of all the women that celebrated womaniser Edward VII was involved with, he loved three: actress Lillie Langtry; self-styled socialist Daisy Brooke; and his greatest love, Alice Keppel. Full of fascinating, colourful characters such as Oscar Wilde, Gladstone and the beautiful, betrayed wife, the author draws on new and unfamiliar material and challenges long-established myths.
