

## The Arthurian Protectors: The Stirring of the Sword

At that moment, the entire rock and the three children were enveloped in a brilliant light, and a shockwave sent the three tumbling down as the earth trembled beneath them and emitted a deafening boom. As Tyler went to brace himself, he discovered Excalibur in its entirety in his hand. What have I done? he thought to himself. The Arthurian Protectors transports the readers back to the days of pre-Camelot. After encountering the famous sword Excalibur in a museum exhibit, three siblings are sent on an unusual quest, both physically and mentally, where they are forced to work together, and overcome their own weaknesses to defeat a mysterious evil that is threatening both past and present.
