

The Lord of the Rings: The Two Towers Deck-Building Game

Protect the Wall of Helms Deep at all costs in The Lord of the Rings: The Two Towers Deck-building Game, now available in hobby stores and on the Cryptozoic e-store! In this exciting follow-up to March's release of The Lord of the Rings: The Fellowship of the Ring Deck-building Game, fans can play as popular characters from Middle-earth such as Aragorn, Frodo, King Theoden, Legolas, Samwise, Gimli, and Merry & Pippin. Players start out with basic cards, with Power being the resource that cards get you in order to gain bigger and more powerful cards from the Path. As you gain new cards from the Path, your deck will grow in strength, giving you the ability to take on powerful Archenemies as you battle your way to a climactic showdown against Saruman, Lord of Isengard. But beware! Ambushes lie in wait as you progress through the Path, and in this game, ambushes oftentimes mean you will draw cards from the Wall of Helms Deep deck. This new addition to The Lord of the Rings Deck-building Game harbors new horrors, and players who draw cards from the Wall Deck will be hit with the devastating effects that each Wall card holds. Should the Wall become Breached, your battle will become much more difficult. Defend the Wall at all costs! The Lord of the Rings: The Two Towers Deck-building Game can be played as a standalone game right out of the box, but it can also be combined with The Lord of the Rings: The Fellowship of the Ring Deck-building Game to create the ultimate Middle-earth adventure. Follow the variants in the rulebook, or mix and match cards to customize your own main deck! The Lord of the Rings: The Two Towers Deck-building Game is now available in hobby stores. Be sure to ask your local hobby store about the promo that you can get with your purchase of the game. Travel well, Middle-earth adventurers!
