

The Mammoth Book of Arthurian Legends (Mammoth Books)

The Mammoth Book of Arthurian Legends brings together many of the traditional stories about King Arthur along with several new interpretations of the legend to provide a complete picture of his birth, adventures, romance and fate. It traces Arthur's exploits to gain the sword Excalibur, the conflict with his half sister Morgan, the birth of his bastard son Mordred, and the shadowy influence and fate of Merlin. The collection also follows the adventures of many of Arthur's knights including Sir Balin, Sir Percival, Sir Gawain, Sir Lanval, Sir Marrok, Sir John, Sir Tristan and of course, Sir Lancelot. This culminates in the mighty Quest for the Holy Grail, the breakup of the Round Table, and finally the usurping of the throne by Mordred and the death of Arthur at Camlann. It even looks beyond the death of Arthur, Guinevere and Lancelot to a ghostly finale of love immortal. Stories included are: The Winning of a Sword by Howard Pyle, The Treason of Morgan le Fay by George Cox, The Knight with Two Swords by John Steinbeck, Sir Percival of Wales by Roger Lancelyn Green, The Romance of Tristan and Iseult by Hillaire Belloc, The Quest for the Holy Grail by Andrew Lang, Guinevere and Lancelot by Andrew Machen, The Lady of Belec by Phyllis Anne Karr, and The Quiet Monk by Jane Yolen.
