

The Merlin of St. Gilles Well (Joan of Arc)

In the bestselling tradition of *The Mists of Avalon*, a powerful retelling of the legend of Joan of Arc! For close to six hundred years, the world has been fascinated by the true story of Joan of Arc. The saga of her rise from obscurity to lead the armies of France, followed by her tragic martyrdom, has inspired many books, plays, and films. Less well known is the fact that Joan's astounding destiny was predicted by ancient prophecies attributed to none other than Merlin himself. Or that Joan, later canonized by the Church as a saint, may have been a practitioner of an even older religion: the ancient pagan ways that predated Christianity throughout Europe. *The Merlin of St. Gilles Well* is a stunning historical fantasy, based on actual events, that casts Joan and her times in a revealing new light.
