

The Myth of Mr. Mom - Real Stories By Real Stay-At-Home Dads

The Myth of Mr. Mom is a collaborative non-fiction essay anthology written by stay-at-home dads that shares personal stories from eight stay-at-home dads from around the world. The goal of the book is to help bring awareness to the fact that men are just as capable as women of being the primary caregiver, homemaker, and stay-at-home parent. We feel that there is a societal bias against stay-at-home dads that does not exist for stay-at-home mothers and seek to bring our stories to the public. Filled with humorous anecdotes and eye-opening personal experiences, The Myth of Mr. Mom is simultaneously inspiring and entertaining.
