

The Guide to Self-Sufficiency

The Guide to Self Sufficiency is the only book that teaches all the skills needed to live independently in harmony with the land harnessing natural forms of energy, raising crops and keeping livestock, preserving foodstuffs, making beer and wine, basketry, carpentry, weaving, and much more. John Seymour, the father of the back to basics movement, explains the philosophy of self-sufficiency and its power to transform lives and create communities. More relevant than ever in our high-tech world, this book is the ultimate practical guide for realists and dreamers alike.
