

In The Shadow Of War (The Dark Mage Chronicles Book 1)

When a murderer strikes within the palace, Dearic Thyne is swift to action. The death of one of the Kingdoms Ministers threatens to throw them into war with an army of elves which will stop at nothing to destroy them. Unless he can manage to track down the killer and his accomplice, there is no hope for the survival of his people. His plan has little to go on, and even his father, the King, doesnt seem inclined to believe that he can accomplish the task. A distasteful guard is sent to join him in his hunt, and the two dont get along right from the start. Joined on their quest by a willful and free-spirited church cleric, the companions set off to scour the countryside in effort to solve the murder, but they only have a week before the army marches. Will that be enough time, or will their efforts fail In The Shadow Of War?
