

The Secret Year

Colt and Julia were secretly together for a year, and no one ever knew, not even Julia's boyfriend. Why would they—they were from two different crowds. Julia lived in her country club world and Colt ... didn't. Then Julia dies in a car accident. Colt is devastated but can't mourn openly, and he's tormented that he may have played a part in her death. And when Julia's journal ends up in his hands, he is forced to relive their year together—just when he is trying to forget. The problem is, how do you get over someone who was never really yours to begin with?
