

## The Souffle - Prima Donna of the Culinary World

Making a Souffle is no longer the domain of the professional chef. For over 200 years this mysterious dish has been kept in the realm of magic and rumored to be impossible to cook by anyone other than a professionally trained chef. kind of silly. This book will teach you to make both savory and sweet souffles that will dazzle your friends and family. The book also covers the history of the souffle and video references that will get you up to speed quickly. This book details the various recipes with many notes so that you, the home cook can modify the recipes to suit your tastes. Also included are charts detailing Cooking Measurements and Metric Conversions that are needed for every kitchen and a chapter for Cooking Terminology.
