

Sourdough Man: An Alaska Folktale

Im the Sourdough Man, and you cant catch me! Drawn from traditional European and North American versions of the Runaway Pancake and the Gingerbread Man, Alaska childrens author ChZrie Stihler and illustrator Barbara Lavallee have collaborated to create the distinctly Alaskan version of this tale. Of course, its a runaway sourdough loaf that has come to life, and he is eluding all manner of creatures native to the great north including musk ox, lemmings, arctic hares, caribou, marmot and the golden eagle. Will anyone be able to catch the sourdough man?
