

Wicked Weird Story Starters

WICKED WEIRD STORY STARTERS contains 24 silly, strange, scary, and suspenseful tales accompanied by an illustration of an unusual character. These short stories can be enjoyed as-is, however, each ends with a cliffhanger and that's where the fun begins - kids (ages 10 and up) can use their imaginations to finish writing the stories using the blank pages provided in the back of the book. Created by lifelong friends (author) T.M. Murphy and illustrator Mark Penta, WICKED WEIRD STORY STARTERS will surely spark creativity in kids and adults!
