

The Sunshine on My Face: A Read-Aloud Book for Memory-Challenged Adults, 10th Anniversary Edition

Reading *The Sunshine on My Face* is an instant activity no planning or preparation required! Although Alzheimer's disease and other brain disorders can interfere with communication skills, this book stimulates remaining abilities and lets you connect in positive ways. Use this book to start a conversation, encourage physical closeness, promote intergenerational exchanges with children, or provide a calming diversion. This beautiful 10th anniversary edition presents the pictures and stories that readers have come to love while introducing new content to make interactions with loved ones more meaningful. Just sit down together, open this colorful and engaging book across both laps, and begin reading, talking, singing, joking, and reminiscing. You can use this versatile book in many ways turn to favorite pages, sing songs to match the themes, or simply read together from beginning to end. Tips on how to promote engagement with the book are provided, as well as song suggestions for each illustration. You'll find that a Two-Lap Book's appeal is universal and timeless.
