

The Third Gift

From two extraordinary talents, a beautifully crafted picture book for the Christmas season. The three wise men, or the three kings, are familiar figures in the Christmas tradition. Newbery medalist Linda Sue Park has taken the brief biblical references to the three as the starting point for a new story. In it we meet a boy who is learning his fathers trade; a man who gathers resin from certain trees; a merchant in the marketplace; and three strangers in brightly colored robes who are shopping for a gift for a baby. Illustrated by Bagram Ibatoulline with exquisite paintings, this simple, moving tale of ordinary people involved in an extraordinary event brings new resonance to the well-known gift list of gold, frankincense, and myrrh. Includes an authors note.
