

## From the Bakery of Afternoon Tea: Book of Pies

Is there anything more heart-warming and inviting than a home-baked pie? Is there anything more satisfying to the home baker than a perfect, beautiful pie baking in the oven? Is there anything more homey and comforting than the smell of a freshly baked pie cooling on a rack? We don't think so, either! From the wildly popular Afternoon Tea bakery, the Book of Pies features bestselling pie recipes that bakers of all trades can master. From fruit and nut pies, to cream pies, to vegetable pies (yes vegetable), to traditional favorites like cherry pie and apple pie, this all-encompassing book of pies features 25 best-selling pie recipes that are suitable for every season. Afternoon Teas Book of Pies also features tips and secrets to great homemade pies, with simple steps to creating the perfect pie every time. Whether you make your pie rustic or fancy, chunky or creamy, fruity or custardy, warm or chilled the Book of Pies takes the challenge out of baking by giving everyday bakers the confidence to bake for any occasion.
