

Theodosia and the Serpents of Chaos (The Theodosia Series Book 1)

Theodosia Throckmorton has her hands full at the Museum of Legends and Antiquities in London. Her father may be head curator, but it is Theo and only Theo who is able to see all the black magic and ancient curses that still cling to the artifacts in the museum. Sneaking behind her father's back, Theo uses old, nearly forgotten Egyptian magic to remove the curses and protect her father and the rest of the museum employees from the ancient, sinister forces that lurk in the museum's dark hallways.
