

# Thats My Hat!

A beautiful pop-up book that is also a playful chase for children. Between the covers of *That's My Hat!* lies a pop-up city that is full of surprises. The adventure unfolds in three dimensions with the turn of each page: a blue hat blows away with the wind, only to be stolen by a mischievous monkey. Readers must follow the monkey as he scampers through a library, a bakery, a zoo, and other familiar places, transformed in this playfully illustrated, interactive world. Illustrated in color throughout.
