

## Tonys Hard Work Day

\$15.95 hardcover 1-58685-181-0 9 x 10 ? in, 32 pp, Color Illustrations Throughout, Rights: W, Children, Ages 5 to 8 The new house in the country needs fixing. Father is hammering, Mother is sewing, Matthew is painting, and Adam is chopping. But four-year-old Tony isnt doing anything because they wont let him help. You are too small, they all say ... or so they think. So, with his dog at his side, Tony goes for a walk in the woods and decides that he will work on his own project. And that is exactly what he does-with mud and water, leaves and grass, trees and pebbles, and stones. Tony works the whole day long, and what he does will delight his readers as much as it excites his family. Back in print for its thirty-year anniversary, Tonys Hard Work Day celebrates the imagination and determined spirit in every child. Alan Arkin is an Oscar-nominated and Tony award-winning actor, director, and writer. He has authored six books for children, including The Lemming Condition, which was chosen for inclusion in the White House library. AnnMarie Mazuran Infanger earned a BFA in illustration from Brigham Young University. She lives with her husband near Salt Lake City and hopes to someday have a dog like Tonys.
