

Tourism: Principles and Practice (3rd Edition)

This text introduces the fundamental principles of tourism and provides a framework that effectively integrates theory and practice. A global and diverse spread of examples shows the impacts and influences of this fast-changing industry on its environment and vice versa. Companion website includes an Instructors Manual and Powerpoint slides for the tutor; self-assessment questions, weblinks and a glossary of key terms for the student. Suitable for a wide range of introductory and other modules on undergraduate and postgraduate degree programmes in Tourism
