

Tradition and Fantasy in the Tales of Reb Nahman of Bratslav (SUNY Series in Judaica) (SUNY Series, Judaica: Hermeneutics, Mysticism & Religion)

One of the most radically innovative of Hasidic masters, Reb Nahman of Bratslav transformed images and concepts basic to Jewish thought into new and compelling forms. Tradition and Fantasy in the Tales of Reb Nahman of Bratslav uses comparative literary criticism, a range of Hasidic commentary, and original exegesis of the source texts to bring the complex artistry of Reb Nahman's thought to light, making it accessible to a wider audience.
