

Triple Threat (Orca Young Readers)

Its summertime and hoops season is over, but that doesnt keep Nick and Kia off the court. One very hot day they head to the rec center for a swim but end up on the outdoor courts that are usually dominated by older players. Their enjoyment of the court is short-lived, however, when three teens show up and kick the kids and their ball off the court. Nick and Kia dont take well to being bullied, but theres nothing they can do about it. At least not until they run into Jerome Junk Yard Dog Williams at a mall promotional event, and Kia enlists the NBA stars help in proving that she and Nick do indeed belong on the same court as the older players.
