

Triumph Over Adversity 3-in-1 Collection

For the first time, Casey Watson's *The Girl Without a Voice*, Torey Hayden's *Beautiful Child* and Mary MacCracken's *Lovey* are combined in an exclusive e-book bundle. Discover the moving stories of three inspirational teachers as they try to pull their students out of the darkness. *The Girl Without a Voice* is the shocking story from bestselling author and foster carer Casey Watson. Thirteen-year-old Imogen joins Casey's class and suffers from selective mutism although her grandparents insist they have no idea why. Not content with the explanation that Imogen is just playing up, Casey starts digging and it's not long before she starts to discover a very different side to Imogen's character. After months of silence, Imogen utters her first, terrified, words to Casey: I thought she was going to burn me. Internationally bestselling author Torey Hayden returns with *Beautiful Child*, a stunning and poignant account of an extraordinary teacher's determination never to abandon a child in need. Seven-year-old Venus Fox never spoke or listened. Yet an accidental playground bump would release a rage frightening to behold. The school year that followed would prove to be one of the most trying, perplexing, and ultimately rewarding of Torey's career, as she struggled to reach a silent child in obvious pain. Mary MacCracken's deeply moving memoir *Lovey* is the account of eight-year-old Hannah, who joins Mary's class and retires to a cupboard, refusing to come out. Howling almost non-stop she was displaying the worst symptoms that Mary had ever seen. How could Mary help a child who had been shut up in closets and treated like an animal? How could she reach this lost girl?
