

Wacky Wednesday (Beginner Books(R))

Read and count along with Dr. Seuss and George Booths classic Beginner Book full of errors. This is no ordinary day! There's a shoe on the ceiling and bananas in the apple tree, and it only gets wackier. From a hole in the kitchen table to a green sun in the sky, young readers will love finding each silly mistake. Illustrated by renowned New Yorker cartoonist George Booth, Wacky Wednesday is impossible to forget. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.
