

Walt Disney's Snow White Finds a Home: A Book About Helping (Disney Classic Values Book)

Based on the beloved Walt Disney motion picture Snow White and the Seven Dwarfs, this book focuses on what happens when Snow White finds herself lost and alone in the forest. Seeing her fright, the kind woodland creatures understand that Snow White is unable to find her way to safety by herself. They help by leading Snow White to a cottage where she can find shelter. The cottage is a mess inside, and Snow White realizes that the absent owners cannot keep house for themselves. She decides to help by cleaning their house and cooking a hot supper. When the owners - the Seven Dwarfs - return home and hear Snow Whites story, they know they must help her. They learn what Snow White has learned - it is right to help others when they cannot help themselves.
