

Warbird

Etienne is called on an adventure in the new world. In 1647, ten-year-old Etienne yearns for a life of adventure far from his family farm in Quebec. He meets an orphan destined to apprentice among the Jesuits at Fort Sainte-Marie. Making the most impulsive decision of his life, Etienne replaces the orphan and paddles off with the voyageurs into the north country. At Sainte-Marie, Etienne must learn to live a life of piety. Meanwhile, he also makes friends with a Huron youth, Tsiko, who teaches him the ways of his people. When the Iroquois attack and destroy the nearby village, Etienne must put his new skills into practice. Will he survive? Will he ever see his family again?
