

Faces of Courage: Young Heroes of World War II

Faces of Courage is an inspiring compilation of twelve stories of courageous teenagers from all across Europe who resisted the Nazis. There is Kirsten, a Danish girl who helped save a group of Jewish children from the Nazis. Jacob, a young Pole, survived the Holocaust by concealing his Jewish identity and working in a German armament factory. Jacques Lusseyran, a blind French boy, organized a student resistance group called the Volunteers of Liberty. The Edelweiss Pirates were a group of German teenagers who opposed The Hitler Youth and aided homeless runaways from reform schools and labor camps.
