

The Wanderlust Bug

A fictional account of four generations of the Norwegian emigrant, Olav Brevik. Olav homesteads in Minnesota, becomes a successful farmer, and marries Greta Gronberg, accepting her unusual conditions. The second generation, Marten and his wife, Louise, die untimely and mysterious deaths, leaving an orphan son. The third generation, Chris, inherits the farm but leaves for an academic career. A WWII bomber pilot, he discovers an enemy more deadly than the German cannons. Fourth generation, Jack, returns to the family farm in a marriage more strange than that of his great grandfather. He finds himself in a life and death struggle with the family adversary.
