

Mower, Blower, or Trimmer Wont Start - You Can fix It

This valuable money saving info is NOT a class, and NOT a book. It IS a short REPORT which will save you repair dollars the rest of your life. To have a beautiful lawn, you need equipment. Most homeowners have a lawn mower, power blower, and a grass/weed trimmer... AND THEY ALSO HAVE THE FRUSTRATION WHEN THEY WILL NOT START. The equipment repairman is not a genius. He simply knows the easy process of diagnosing why the equipment will not run ... and how to fix it. YOU CAN LEARN THIS 4-STEP PROCESS AND SAVE THOUSANDS OF REPAIR DOLLARS DURING YOUR LIFETIME. This report is directed towards:* new homeowners who never before owned power equipment* the guy who is better with a spreadsheet than a wrench* people who know nothing about small engines* single ladies who think they could never fix their mower, blower, or trimmer. Be learning this procedure, you can save the \$75 repair costs ... and all you need is a screw driver, pliers, and a low-cost product which is readily available. Are there times when you may need the repair shop? ... sure! But 9 times out of 10, the problem has a simple solution ... YOU CAN FIX IT. I have 40 years experience with homeowner power equipment. I have taught hundreds of customers how to make their equipment start and run. One morning, I listened to a single lady complain about the frustration of her mower not starting. I sold her 4 items and explained the SIMPLE procedure for determining what was wrong with her mower. That afternoon, she returned grinning ear to ear. She said, IVE NEVER FIXED ANYTHING. BUT I FIXED MY MOWER. She returned 2 of the items she did not need ... the repair cost her \$7. I assure you it would have been \$50 to \$75 at the repair shop. Anyone can do this ... SIMPLE PROCEDURE .. LOW-COST ...

MONEY SAVED! Buy this report, and you will use the information the rest of your life!
