

Wife O, or the Story of a Life in Bondage: Being a Complete Exposé of Mormonism, and Revealing the Sorrows, Sacrifices and Sufferings of Women in Polygamy (Classic Reprint)

Excerpt from Wife O, or the Story of a Life in Bondage: Being a Complete Exposé of Mormonism, and Revealing the Sorrows, Sacrifices and Sufferings of Women in Polygamy I Dedicate this Book to you, as I consecrate my life to your cause. As long as God gives me life I shall pray and plead for your deliverance from the worse than Egyptian bondage in which you are held. Despised, maligned, and wronged; kept in gross ignorance of the great world, its pure creeds, its high aims, its generous motives, you have been made to believe that the noblest nation of the earth was truly represented by the horde of miscreants who drove you from State to State, in early years, murdering your sons and assassinating your leaders. Hence, you shrink from those whom God will soon lead to your deliverance, from those to whom I daily present your claims to a hearing and liberation, and who listen with responsive and sympathetic hearts. But He will not long permit you to be so wickedly deceived; nor will the People permit you to be so cruelly enslaved. Hope and pray! Come out of the house of bondage! Kind hearts beat for you! Open hands will welcome you! Do not fear that while God lives you shall suffer uncared for in the wilderness! This Christian realm is not Babylon, but The Promised Land! Courage! The night of oppression is nearly ended, and the sun of liberty is rising in the heavens for you. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do,

however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
