

World History Biographies: Mao Zedong: The Rebel Who Led a Revolution (National Geographic World History Biographies)

Born in Southern China in 1893, this farmers son would rule the worlds most populous country. The young Mao Zedong grew up in a world desperate to break with the ancient rules of the Qing dynasty. Mao challenged convention early in life, and was expelled from school. He joined Chinas new Communist Party, and led Chinas historic revolution. Hailed by many as a truly liberating hero, others demonized him as a brutal monster. This biography outlines the revolutionary life of the first leader of the Peoples Republic of China and sets his march to power in the context of world history.
