

## Your Chickens: A Kids Guide to Raising and Showing

Full of expert advice and plenty of encouragement for the youngest poultry farmers, this introductory guide is designed to show children ages 9 and up how to safely and successfully raise their own chickens. With age-appropriate language and clear diagrams, Gail Damerow provides everything kids need to know to choose, purchase, house, and show their own chickens. Whether they're interested in raising chickens for pleasure or to make money, this easy-to-use guide will help children achieve their chicken-raising goals.
